

# Film Processing & Proofing

Still shooting film for that authentic feel? We still offer C-41 film processing for your proofing and scanning needs. Our film processing is a 3-5 business day turnaround.

## Additional Services

High resolution scans may be purchased at \$5 per roll when proofed.

Develop and Scan pricing is the same as proofing prices.

Negative cutting is included on proof jobs. For scanned jobs, it is \$1 per roll.

Rush services may not be available for film processing, please check with lab about scheduling.

Pushing film is a \$3.00 charge. Contact sheets are available for \$7.75 each.

## Digital Proofs

Proofing options are based on a minimum of 24 original exposures and come in a variety of sizes (3.5x5, 4x5, 4x6 and 5x7) with a 3 day turnaround. Proofs can be printed with or without a white border. With "Studio Prepared" the file is printed as is. Proofs with "Lab Managed Color" are adjusted for color balance and density by our experienced lab technicians. Images are printed on Kodak Lustre photo paper.

Studio Prepared	0.25
Lab Managed Color	0.45
5x7 Proof	1.00

## Spiral Bound Proofs

Whether images are proofed out as individual prints or as a contact sheet, they can be nicely presented with a spiral binding. All images are printed on our Kodak Lustre photo paper and color corrected. Contact sheets can hold anywhere from 1 to 9 images per page with either a white or black background. Spiral bound books are priced according to number of pages plus cost for spiral binding with an optional acetate cover.

Spiral Binding	5.00
Acetate Cover	5.00
5x7 Proof	1.00
8x10 Contact Sheet	2.00
10x11 Contact Sheet	2.40
